

Central Team Activities

Our Central Team has planned a range of exciting activities that your learners can participate in to broaden their horizons and explore higher education. You can book as many of our activities as you would like. Each activity has its own booking link, which is listed with the activity details.

Key:

10 Suggested group size

GB 7 The Gatsby benchmarks that the activity will support you to meet

Y12 The year group(s) that can take part

Activities delivered on request

The activities listed below can be delivered face-to-face or virtually (via Microsoft Teams) on dates that suit you. We have indicated timings for each session but we can usually be flexible to fit with your school/college timetable.

Learning to Lead

20

GB 7

Y12

Y13

This programme supports learners to increase their confidence and leadership abilities by guiding them through designing, delivering and reflecting on a project. It will help learners to develop key skills that they will be able to demonstrate to employers, colleges and universities, with a particular focus on presentation and communication skills.

Format:

Three two-hour sessions delivered face-to-face or virtually by DANCOP staff

Book at bit.ly/DANCOPL2L

All about Apprenticeships

Class group

GB 4

GB 5

GB 7

Y9+

This programme encourages learners to consider all their post-18 options by introducing them to the world of apprenticeships. Learners will take part in two sessions focused on developing their understanding of higher and degree apprenticeships before participating in a question and answer session with current apprentices and employers.

Format:

- Two one-hour sessions delivered face-to-face or virtually by DANCOP staff
- One 45-minute Q&A session delivered virtually

Girls into STEAM

This exciting programme is for female and female-identifying learners with an interest in a career in STEAM (science, technology, engineering, arts and maths). Learners will take part in two masterclasses focusing on STEAM subjects, followed by a question and answer session with role models working in STEAM roles.

Format:

- Two one-hour sessions delivered face-to-face or virtually by DANCOP staff
- One 45-minute Q&A session delivered virtually

Book at bit.ly/DANCOPSTEAM

Employable Me

This activity will support learners to develop personal skills and qualities vital for employment. Learners will engage with challenges and activities to help them explore the qualities and skills that are important for successful employment, before putting their own skills into practice in a mock assessment centre.

Format:

One three-hour session delivered face-to-face or virtually by DANCOP staff

Book at bit.ly/DANCOPEmployable

Boys into Healthcare

Available from April 2021

This programme addresses preconceptions and stigma associated with males entering healthcare professions. Learners will learn about the range of exciting careers available in this industry through a variety of practical, hands-on activities, before quizzing professionals working in this sector in a question and answer session.

Format:

- Two one-hour sessions delivered face-to-face or virtually by DANCOP staff
- One 45-minute Q&A session delivered virtually

Book at bit.ly/DANCOPHealthcare

Careers in the Creative Industries

Available from April 2021

Our Careers in the Creative Industries activity provides learners with an exclusive sneak peek behind the scenes of a variety of industries and roles within the creative sector. Learners will take part in masterclasses with practical elements and discover more about the careers and opportunities that are available to them.

Format:

One three-hour session delivered face-to-face or virtually by DANCOP staff
